The diagram illustrates a sequence of three stages of a 1D lattice system, separated by a solid black vertical line. Each stage shows a horizontal row of sites, with dashed lines of different colors representing the lattice structure. The first stage (left) has 4 sites with dashed lines in purple, green, blue, and red. The second stage (middle) has 5 sites with dashed lines in purple, green, blue, black, and red. The third stage (right) has 6 sites with dashed lines in purple, green, blue, black, orange, and red. A solid black line is at the bottom of the diagram.
